- Black Cultural archives

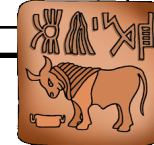

Science

Food and our bodies animals including humans

- Identify the right types and demonstrate they understand the right amounts of nutrients for animals including humans.
- Name the different types of skeletons as well as identify and categorise animals based on the type of skeleton it has.

Year 3 Curriculum Plan

Autumn Term 1

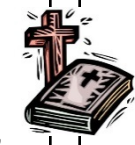

Theme: What Makes a Good Community?

Literacy

POWER OF READING

'African Tales' and 'Fly Eagle Fly.'

- To develop spelling by learning about spelling rules and patterns.
- To develop knowledge of punctuation and grammar in the English language.
- Each topic will be based on a text and children will do a series of activities to top their reading and writing skills.

MATHS

- Reading, writing and ordering two and three digit numbers up to 1000.
 - Addition and subtraction.
- Multiplication – with focus on children learning their times tables off by heart.
- Mental maths – to develop a range of strategies to help develop mental maths.

Physical Education

Mondays and Thursdays

Children are expected to wear the correct PE kit

Design and Technology

Children will look into designing and making a house for the future.

Children will be introduced to a computer programme called SkechUp which will allow them to create a 3D model of a house.

R.E

CHRISTIAN VALUE – Compassion The Christian Community

Children will use their knowledge of the Christian faith to describe the characteristics of a Christian community.

Music

Music lessons every Wednesday.
