

Computing

We are communicators –this unit encourages children to use communicate safely on the internet.

History

Ancient Egypt

Children will begin to study in depth the life and achievements of ancient Egyptians .

SPANISH

Lesson once a week.

PSHE

Relationships

Children will learn to explore feelings in the context of our important relationships including family and friends.

Visits

To be confirmed

Science

How does your garden grow?

In this topic, children will learn to identify and describe the functions of the different parts of flowering plants –roots, stem, leaves and flowers.

They will investigate how water is transported within plants and carry out set up simple practical enquiries.

Year 3 Curriculum Plan

Summer Term 5

Theme: Ancient Egypt

Literacy

POWER OF READING

- To develop spelling by learning about spelling rules and patterns.
- To develop knowledge of punctuation and grammar in the English language.
- Each topic will be based on a text and children will do a series of activities to develop their reading and writing skills.

MATHS

This term, we will have a focus on addition, subtraction, multiplication and division. We will also focus on fractions, measurement, calculating perimeter. Also we learn about properties of shapes, identify horizontal and vertical lines and pairs of perpendicular and parallel lines.

Physical Education

Tuesdays – Gymnastics

Wednesdays - Swimming

Art/Craft

Children explore the craft tradition of making things from hand. Children's work will be based around our science topic and history topic where we will craft ancient Egyptian objects and create hand print plant pots.

R.E

CHRISTIAN VALUE : COMPASSION

Christian Community

In this unit, children will get the opportunity to reflect on what it might mean to be part of a local Christian community

Music

- In Harmony and choir every Wednesday.
