

ICT

Blogging and online writing (link to online safety)

We will be learning how to write a blog.

Geography & History

We will be learning about The Vikings and their struggle for power in Great Britain, including 1066 and Edward the Confessor.

We will be learning about the environmental change and impact humans have on the planet.

MFL - SPANISH

Lesson once a week

Children will be learning about the weather and seasons of the year, as well as animals.

PSHE

- Health and Wellbeing – Healthy Lifestyles, Growing and Changing, Keeping Safe
- Learning about feelings and emotions
- Learning about our wider responsibilities living in the world

SCIENCE

Humans and Animals

- describe the simple functions of the basic parts of the digestive system in humans
- identify the different types of teeth in humans and their simple functions
- construct and interpret a variety of food chains, identifying producers, predators and prey.

Year 4 Curriculum Plan

Summer Term

Theme: Cold Worlds

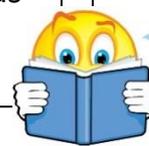

ENGLISH

Ice Trap! – Meredith Hooper

We will be learning about the intrepid explorer, Ernest Shackleton and his adventure to the South Pole.

Myths and Legends

We will be writing Viking Legends and performing them in a traditional way.

MATHS

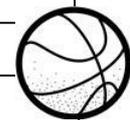

Multiplication and Division

Throughout the term, children will be given problem solving activities and investigations to enable them to apply their learning and develop reasoning skills.

PHYSICAL EDUCATION

PE on a Thursday: Flag Football, and Friday: striking and fielding games.

ART / DT Cold Worlds

Children will be learning to improve their mastery of art and design techniques, including drawing with a range of materials, starting with art inspired by Frances Hatch
