

Learning Resource Library

14th November 2014

Dear Parents and Carers,

The Learning Resource Library will be opening on **Monday 17th November at 8:45am in the school hall** (please walk into the hall from the playground entrance when you come to drop your child off). It will be running **every Monday** from then on. The school has purchased lots of new items!

The Learning Resource Library is an opportunity for you to come and borrow up to 3 educational games or resources a week. It is free to join and borrow resources.

Games are an excellent way to encourage learning at home as well as encouraging turn taking and developing speech and language skills. I will be able to give advice on suitable games/resources for your child.

There are a variety of games and resources suitable for children from Nursery age to Year 6. The games are mainly literacy and maths based but there are also resources and games to develop key learning skills such as memory and thought processing.

When you come along to the Learning Resource Library, you will be issued with a library membership card with a barcode linked to your child on it. These will replace the old style membership cards that were in circulation a year ago.

If you have any resources at home from when the library we used to run, please return these to the school for the attention of Mrs O'Neill.

I look forward to seeing many of you on Monday 17th November.

Regards

Karina O'Neill
