

NURSERY & RECEPTION PHONICS COFFEE MORNING

We will be holding a Coffee Morning about
Phonics in the school hall on :

**Thursday 15th March
at 9am**

We would like to invite you to learn a little more
about our approach to teaching phonics and
developing reading skills during the Early years here
at St Stephens and to provide you with all the
information you need to help your child at home.

As you may already know, the teaching of
phonics is a highly effective way to get
every child reading.

We look forward to seeing you !
