The latest distraction!

It has recently come to my attention that many pupils are bringing into school the latest fad - 'fidget spinners'. Although we encourage children to use toys for enjoyment, toys are not allowed in school as they can be a huge distraction. So please support us, by reminding your child, not to bring toys into school.

We raised an impressive **£401.11!**

CYBERBULLYING

We are in the fortunate position that Kidscape will spend the day with us delivering cyber bullying workshops to pupils and teachers.

The day will begin with a coffee morning for parents giving sound advice on reporting cyber bullying, addressing online risk and protecting your child on line.

CLASS PHOTOGRAPHS

Your child received their class photograph on Tuesday. If you would like to purchase any of the pictures, payments must be made online:
