

KS1 AND KS2 SATS 2017

St Stephen's CofE Primary School
Lambeth

Key Stage 1 - Overview

For 2016, a new set of KS1 national curriculum tests replaces the previous tests and tasks.

The new tests consist of:

- English reading Paper 1: combined reading prompt and answer booklet
- English reading Paper 2: reading booklet and reading answer booklet
- English grammar, punctuation and spelling Paper 1: spelling
- English grammar, punctuation and spelling Paper 2: questions
- mathematics Paper 1: arithmetic
- mathematics Paper 2: reasoning

Key Stage 1 - Reading

The new reading test has a greater emphasis on the comprehension elements of the new curriculum. There are 2 reading papers, one with the texts and questions combined and one with more challenging texts with the questions in a separate booklet. Both papers must be administered to all pupils.

Each paper will have a selection of unrelated texts of increasing difficulty. There will be a mixture of text genres.

- Paper 1 consists of a combined reading prompt and answer booklet. It is expected that the test will take approximately 30 minutes to complete but it is not strictly timed. The paper includes a list of useful words and some practice questions for teachers to use to introduce the contexts and question types to pupils.
- Paper 2 consists of a reading answer booklet and a separate reading booklet. It is expected that the test will take approximately 40 minutes to complete but it is not strictly timed. There are no practice questions on this paper.

Key Stage 1 – Grammar, Punctuation and Spelling

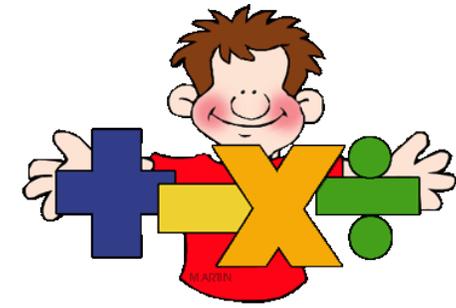

The new grammar, punctuation and spelling test has an emphasis on technical aspects of grammar.

There are 2 papers, Paper 1: spelling and Paper 2: questions.

The written task has been removed and writing will instead be assessed through teacher assessment.

- Paper 1: spelling consists of an answer booklet for pupils to complete and a test transcript to be read by the test administrator. Pupils will have approximately 15 minutes to complete the test but it is not strictly timed, writing the 20 missing words in the answer booklet.
- Paper 2: questions consist of a single test paper focusing on pupils' knowledge of grammar, punctuation and vocabulary. Pupils will have approximately 20 minutes to complete the questions in the test paper but it is not strictly timed. There will be no contextualised questions in the test (as there were in the initial sample questions).

Key Stage 1 - Mathematics

In mathematics at KS1, an arithmetic test has been introduced.

There are two papers, Paper 1: arithmetic and Paper 2: reasoning:

- Paper 1: arithmetic assesses pupils' confidence and mathematical fluency with whole numbers, place-value and counting. The test consists of a single test paper. It is expected that the test will take approximately 20 minutes to complete but it is not strictly timed.
- Paper 2: reasoning assesses pupils' mathematical fluency, problem solving and reasoning skills. This test consists of a single test paper. It is expected that the reasoning paper will take approximately 35 minutes to complete but it is not strictly timed. The paper includes a practice question and 5 aural questions. After the aural questions, the time for the remainder of the paper should be approximately 30 minutes.

Key Stage 1 – Scaled Scores

From 2016 scaled scores will be used to report national curriculum test outcomes.

Scaled scores help test results to be reported consistently from one year to the next. National curriculum tests are designed to be as similar as possible year on year, but slight differences in difficulty will occur between years. Scaled scores maintain their meaning over time so that two pupils achieving the same scaled score in different years will have demonstrated the same attainment.

For the KS1 tests a scaled score of 100 will always represent the 'expected standard'.

A pupil's scaled score will be based on their raw score. The raw score is the total number of marks a pupil receives in a test, based on the number of questions they answered correctly. The pupil's raw score will be translated into a scaled score using a conversion table.

For 2016 KS1 tests, conversion tables will be published at the beginning of June 2016.

Teachers will need to use these to translate pupils' raw scores into scaled scores to see whether each pupil has met the expected standard.

RAW SCORE TO SCALED SCORE

Reading	Grammar, Punctuation, Spelling	Maths
22/40 (raw score) = 100 Expected	25/40 (raw score) = 100 Expected	37/60 (raw score) = 100 Expected
35/40 (raw score) = 110 Greater Depth	36/40 (raw score) = 110 Greater Depth	54/60 (raw score) = 110 Greater Depth

YEAR 2 SATS

Over 2 weeks – May 15th and May 22nd (before half term).

Children to have a mark that will be converted from a raw score to a scaled score.

Expected = 100

Greater Depth = 110

YEAR 2 SATS

Tests in small groups with Miss Wood and Mrs Terry

Tests for Reading, Maths, Grammar, Punctuation and Spelling

Writing is in their books

Key Stage 2 – Reading

The English reading test will have a greater focus on fictional texts. There is also a greater emphasis on the comprehension elements of the new curriculum.

The test consists of a reading booklet and a separate answer booklet.

Pupils will have a total of 1 hour to read the 3 texts in the reading booklet and complete the questions at their own pace. There will be a mixture of genres of text. The least-demanding text will come first with the following texts increasing in level of difficulty.

Pupils can approach the test as they choose: eg working through one text and answering the questions before moving on to the next. The questions are worth a total of 50 marks.

READING - WHAT WILL BE ASSESSED?

The tests will give the most weighting to the following:

2a – give / explain the meaning of words in context.

2b – retrieve and record information / identify key details

2c – summarise main ideas from more than one paragraph

2d – make inference from the text / explain and justify inferences with evidence from the text.

Key Stage 2 – Grammar, Punctuation and Spelling

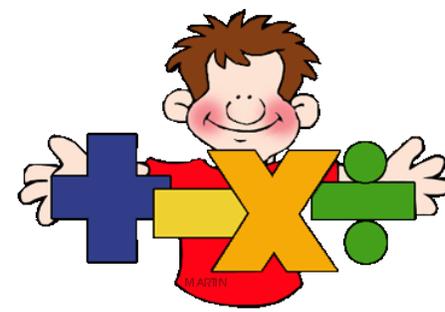

The new grammar, punctuation and spelling test has a greater focus on knowing and applying grammatical terminology with the full range of punctuation tested.

The new national curriculum sets out clearly which technical terms in grammar are to be learnt by pupils and these are explicitly included in the test and detailed in the new test framework. It also defines precise spelling patterns and methodologies to be taught, and these are the basis of spellings in the test. There will be no contextual items in the test.

There are two papers:

- Paper 1: questions consists of a single test paper. Pupils will have 45 minutes to complete the test, answering the questions in the test paper. The questions are worth 50 marks in total.
- Paper 2: spelling consists of an answer booklet for pupils to complete and a test transcript to be read by the test administrator. Pupils will have approximately 15 minutes to complete the test, but it is not strictly timed, by writing the 20 missing words in the answer booklet. The questions are worth 20 marks in total.

Key Stage 2 – Mathematics

There are 3 papers:

- Paper 1: arithmetic replaces the mental mathematics test. The arithmetic test assesses basic mathematical calculations.
 - The test consists of a single test paper. Pupils will have 30 minutes to complete the test, answering the questions in the test paper. The paper consists of 36 questions which are worth a total of 40 marks.
 - The questions will cover straightforward addition and subtraction and more complex calculations with fractions worth 1 mark each, and long divisions and long multiplications worth 2 marks each.
- Papers 2 and 3 each consist of a single test paper. Pupils will have 40 minutes to complete each test, answering the questions in the test paper. Each paper will have questions worth a total of 35 marks.
 - In some answer spaces, where pupils need to show their method, square grids are provided for the questions on the arithmetic paper and some of the questions on Paper 2.

PAPER 1 – THE ARITHMETIC TEST

30 minutes

Context free questions

The majority of calculations are 1 mark.

2 marks will be available for long multiplication and long division.

THE MATHEMATICS TEST

Mental maths is removed

Arithmetic test introduced to assess basic mathematical calculations.

The Test Papers comprise:

Paper 1 – arithmetic (40 marks)

Paper 2 - reasoning (35 marks)

Paper 3 - reasoning (35 marks)

Still marks for working out even if the answer is wrong.

Key Stage 2 – Scaled Scores

Scaled scores help test results to be reported consistently from one year to the next.

National curriculum tests are designed to be as similar as possible year on year, but slight differences in difficulty will occur between years. Scaled scores maintain their meaning over time so that two pupils achieving the same scaled score in different years will have demonstrated the same attainment.

For the KS2 tests a scaled score of 100 will always represent the ‘expected standard’.

A pupil’s scaled score will be based on their raw score. The raw score is the total number of marks a pupil receives in a test. The pupil’s raw score will be translated into a scaled score using a conversion table.

For the 2016 KS2 tests STA will publish test results on the NCA tools website on 5 July 2016. Each pupil registered for the tests will receive:

- a raw score (the number of raw marks awarded)
- a scaled score
- and confirmation of whether or not they attained the expected standard

RAW SCORE TO SCALED SCORE

Reading	Grammar, Punctuation, Spelling	Maths
21/50 = 100 Expected	43/70 = 100 Expected	60/110 = 100 Expected
34/50 = 110 Greater Depth	61/70 = 110 Greater Depth	98/110 = 110 Greater Depth

WRITING

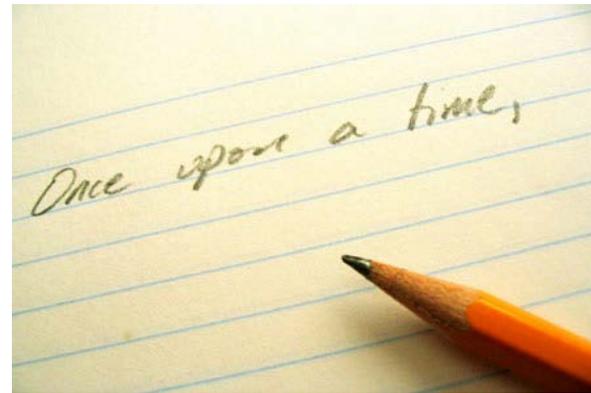

Teachers need to show that a pupil demonstrates attainment of all statements within a standard

3 standards

Working towards the expected standard

Working at the expected standard

Working above the expected standard

WRITING EVIDENCE

Teachers must base their teacher assessment judgement on a broad range of evidence from across the curriculum for each pupil.

This will happen throughout the year and has already started.

WHAT CAN YOU DO?

Spellings – use the Spellings list given out at Parents evening.

Make sure your child is at school every day on time.

Make sure your child has had a long sleep.

8TH MAY 2017

Please take Mobile Phones at bed time

In school for 8am – we are offering a free breakfast and ‘run around’.

Bottles of water in school to keep hydrated during the tests.

GIVE YOUR CHILD POSITIVE MESSAGES EVERY MORNING OF THE WEEK – IT'S A LONG WEEK!
